

## FREEDOM

Freedom would not be possible if it were not for our military and our veterans.

The Harlan American Legion, Helmer Reyelt Post # 150 has sponsored the annual July 4<sup>th</sup> fireworks event for over 30 years. This event would not be possible without the support and contributions of the people in Shelby County.

The costs of this event are more than the American Legion Post # 150's budget can support. We as veterans of every branch of service ask that you continue to support this event. We ask that we keep the American spirit alive with our annual patriotic fireworks display. Every contribution makes a difference, whether it is one dollar or 20 dollars.

As members of the Harlan American Legion Post # 150, we appreciate your support throughout the years and your continued support.

Donations may be sent to Gene Cavanaugh, 612 Court St, Harlan, Iowa 51537.
